

Steps To Mediate Still On

Report Refuted
Truman Had
Formed Plans
Of Intervention

WASHINGTON, Oct. 27.—(P)—The White House said today President Truman has set no deadline on mediation efforts in the steel-coal disputes and is "keeping hands off" for the present.

Charles G. Ross, presidential secretary, described as "entirely without warrant" reports that Mr. Truman planned to intervene in the strikes if they were not settled by the week-end.

Ross said Mr. Truman authorized him to say the President has not discussed the strike situation individually with any members of the cabinet.

The President may have mentioned it at a cabinet meeting, Ross said.

A cabinet officer told reporters yesterday that the President had decided to step in if the strikes were not settled by this week-end. He asked not to be publicly identified by name.

In Touch on Strikes

Ross said the President has kept abreast of the progress of conciliation efforts through John R. Steelman, his assistant, who has been in touch with them through Cyrus Ching, federal mediation director.

The strikes are still in the hands of the mediation service, Ross emphasized.

Ross dictated this statement to reporters:

"Any attribution to the President of any plan to intervene in the coal and steel strikes or to fix a deadline on the effort to reach a settlement through mediation is entirely without warrant."

"This office has told you every day, in reply to questions, the literal and exact truth of the situation."

Mediation Still Holds

"Obviously this office can not preclude the possibility of appropriate action by the President on any matter before him at any time."

"He may do anything that is within his power to do. But it is literally true that the strikes are in the hands of the mediation service at this time and the President is keeping hands off."

"He is certainly not putting out statements, directly or indirectly, that he is going to intervene."

"Incidentally, I am authorized by the President to say that he has not discussed the present strike situation with any member of the cabinet."

Ching was reported trying to get Philip Murray, president of the CIO and head of its striking steelworkers union, to negotiate directly today with the U. S. Steel Corp. in New York.

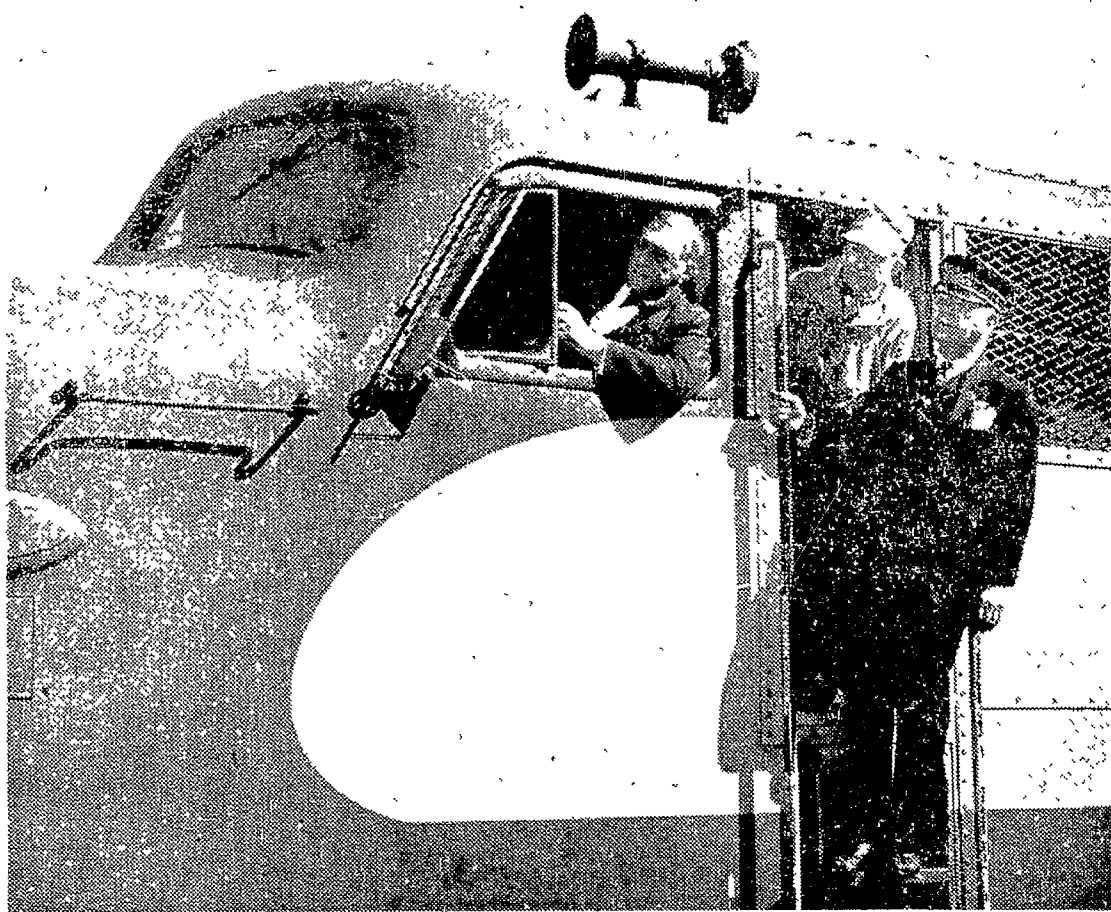

Murray went to New York from meetings in Cleveland with his CIO lieutenants. Ching has been meeting with industrial relations experts of U. S. Steel, the nation's biggest steel producer, for more than a week.

The union has refused to budge from its position that the dispute should be settled according to the terms of a report by a presidential fact finding board. This called for employer-paid pension-insurance benefits worth up to 10 cents an hour.

Steel firms have all agreed to put up that amount of money if the workers will chip in something too.

There was no word on the request of a number of steel firms that the presidential board be reconvened to "clarify" its findings. Any reconvening would have to (Please turn to page 10, column 6)

Hoffman Has Grave Message For Europe

Unless United And
Drastic Recovery
Efforts Are Made

WASHINGTON, Oct. 27 — (P)—Paul G. Hoffman left Washington today with a grave message for Europe: Unless united and drastic recovery efforts are made, a dissatisfied Congress may refuse to vote next year's Marshall plan bill.

Sen. Connally (D-Tex.), chairman of the foreign relations committee, demonstrated Congress' mood. He forecast that European recovery funds will be cut by at least \$1,000,000,000 next year.

"Europe must work out her own destiny," Connally told a reporter. "We can't carry indefinitely such a heavy burden of financial help."

Economic Cooperation Administrator Hoffman consulted with President Truman. Then he went to Montreal to deliver a speech before flying to Paris.

At the White House he told reporters that ECA would like to see the Marshall plan nations "go further and faster than they have gone" in striking down trade barriers.

Mr. Truman gave him a message for Europe, too, he said—the assurance that "America's great hope is a strong and prosperous Europe."

Hoffman said he will wait until reaching Paris before deciding what he will tell Europe's Marshall planners. But he gave this much of a hint: They should "do better" in their efforts at mutual aid, and must try to increase dollar-earning exports to America.

Legislators be Invited to Sedalia

A meeting of the Chamber of Commerce board was held at 10:30 o'clock this morning at the C. of C. office at which time it was decided to invite members of the appropriation committees of both the State Senate and the State House of Representatives to be guests of the Sedalia Chamber of Commerce on Tuesday afternoon, November 8, at which time they will be taken on a tour of the Missouri State Fair grounds. Invitations are being mailed out this evening by the Chamber of Commerce.

Gift Pens Lead To Four Arrests

ST. JOSEPH, Mo., Oct. 27.—(P)—Four men have been arrested for investigation because prison inmates received gifts of fountain pens.

Last week five St. Joseph stores were looted of about \$200 worth of fountain pens. Shortly after police began receiving inquiries from prison officials about the source of gift pens inmates were receiving from a St. Joseph man.

An investigation, directed by William R. Norris, Jr., assistant prosecuting attorney, resulted in arrests of four men. Part of the loot of pens has been recovered.

Find it Not Gold Country

Stampede to a
Boom Town in
Yukon Subside

ANCHORAGE, Alaska, Oct. 27.—(P)—Several would-be prospectors returned today, convinced that Fishwheel, the booming town up on the Yukon flats near the Arctic Circle, is not gold country.

"Amateurs and professionals are pretty well convinced, but they're afraid to leave for fear they'll miss something," Bill Lund, Alaska Airlines pilot, said on his return from Fishwheel.

Lund, with Robert Stevenson, Northern Consolidated Airlines pilot, went to the Yukon area over the week-end and came up with two of the few nuggets he said had been found at the river.

He said the pilots showed the nuggets to a prospector. "Lord, he shouted the news to everyone in sight. They grabbed all their tools and lit out in every direction. Even the old-timers got excited."

Asked about the value of the gold he panned, Lund shrugged.

It's worth about 60 cents, I guess. It is surface gold, but I can't imagine where it came from.

"Everyone is getting colors (small flakes of gold) such as you might find anywhere. But I don't see any nuggets besides my own and Carroll's."

Clifford Carroll started the stampede when he found nuggets "the size of peas" stuck to the muck on the axel of his fishwheel, after which the boomtown has been named. That was two weeks ago.

Have Walking Blood Bank

Dr. Osborne Tells
Kiwanians of its
Purpose Today

Urging support of the Red Cross walking blood bank, Dr. Charles D. Osborne spoke before members of the Sedalia Kiwanis club meeting in Bothwell hotel Thursday noon.

Mike Giokaris, program chairman, introduced the speaker.

Dr. Osborne gave a historical sketch of the early days of blood transfusions, known and practiced by ancient Egyptians, the discoveries and developments during modern times of the process including blood typing, storage problems and the need for availability of blood donors today.

He asked employers to urge employees to cooperate with the Red Cross blood bank by having themselves listed as prospective donors.

Phil McLaughlin stated that a list of 200 names is needed for Sedalia so that there will be sufficient blood types available to require only one call per year on each donor. Anyone willing to be a donor may call Red Cross headquarters, Phone 618, and transportation to the hospital will be provided for this purpose.

President Bert Hathaway announced there would be a meeting of the board of directors and committee chairmen at Dan's Restaurant Friday noon.

Guests were: E. F. Koehler, Kansas City, with R. E. Mullen; M. L. Stewart, Jefferson City, with Pinkney Miller; and J. J. Stephens, Kansas City, with Walter Kennedy.

Officers of Land Grant Colleges

JOPLIN, Oct. 27.—(P)—Mayor William E. Kemp of Kansas City was elected president of the Missouri Municipal League for the next year at the annual business meeting today. Mayor Otis Barwick of Springfield was elected vice president.

Directors chosen for two-year terms are James E. Crowe, city counselor, St. Louis; Mayor L. Russell McKee, Joplin; city engineer Frank Nohl, Richmond Heights; Mayor J. C. Morris, Farmington; Mayor Oscar A. Tuckett, Brentwood; and Mayor O. W. Thomas, Carrollton. Directors for one-year terms are city attorney John Thie, Independence, and city engineer Herbert D. Fritz, Marshall.

Government May Sell Alcohol Plant

WASHINGTON, Oct. 27.—(P)—The government probably will maintain idle wartime industrial alcohol plants at Muscatine, Iowa, and at Omaha, but probably will sell a similar plant at Kansas City. That was the prediction yesterday of an agricultural department spokesman, who asked that his name be not used.

Chest Group to Meet On Thursday, Nov. 3

A meeting of the Community Chest board and the participating agencies will be held Thursday night, November 3, at 7:30 o'clock at the Chamber of Commerce office to work out the final dispensation of the Community Chest fund.

Scouts District Round Tables

The Pettis district committee and round tables, Boy Scouts of America, will meet this evening October 27, at the Evangelical and Reformed church, Fourth and Vermont, at 7:30 o'clock. Rev. A. J. Brunswick will preside at the district committee meeting and G. Patrick Darnell will be in charge of the roundtables.

Reinhold G. Miller, Scout executive, will be present to aid in the planning program of the district. Among things to be discussed is the annual district meeting.

The district round tables have been set up to bring the respective groups some real skills to take to the units. The Cub group will work on program projects and learn Indian skills. The Scout group will work on program, also, with camp planning as their main topic.

Ford Pension Plan Approved

Acceptance by
Auto Workers on
Pensions Issue

DETROIT, Oct. 27.—(P)—The automobile industry marked another milestone in its labor relations history today.

Ford's \$100-a-month pension plan, first in the industry, was approved.

Applying to Ford's 115,000 production workers, the plan was accepted in a vote by the Ford rank and file membership of the CIO United Auto Workers.

Under the new UAW contract Ford workers can retire at age 65 on a maximum of \$100 monthly. This includes the worker's federal social security, for which he foots part to the bill.

Remainder of the retirement benefit will be paid for entirely by the company, which estimates its cost at \$20,000,000 annually.

Pension benefits constitute the major part of a ten cents an hour package and in general follows the recommendations of President Truman's fact-finding commission in the steel dispute.

For the time being at least its approval assures peace in the auto industry.

Pensions have been the UAW-CIO's No. 1 objectives in its 1949 bargaining drive. A wage increase was sidetracked at Ford in favor of pensions.

Accord by Rank and File

Late last night the union announced "overwhelming" approval from the rank and file.

This was based to large degree on the vote at Ford's big Rouge plant. Previously, however, the vote in others of Ford's 50 factories was said to be running heavily in favor of acceptance.

Rouge's key vote was announced as 32,392 in favor as against 7,130 opposed.

The Ford plan provides that a worker who retires at age 65 after 30 years service will be paid \$100 a month, inclusive of social security benefits.

Retirement at 65 is voluntary, at 68 it is compulsory.

Under the now approved new contract with the UAW, the company will contribute 8 1/2 cents an hour to the pension plan. The worker pays nothing into the plan.

The company will apply the remainder of the 10 cents package to health and welfare benefits, the so-called fringe terms of the contract.

There is no wage increase. The auto worker's average pay is about \$1.65 an hour. The new Ford contract runs for two and a half years.

A minority left wing group within the UAW had opposed the plan as "inadequate."

Whether it would be the UAW's "model" for other auto companies remained to be determined.

The UAW, backed by a strike vote in Detroit, currently seeks it for Chrysler's 10,000 workers and plans to demand it of General Motors for another 225,000.

Chrysler and the union now are negotiating. The GM contract is not renewable until next spring.

Plans For Deep Cut In Navy

Disclosed as
Rumors That
Denfeld be Asked
To Resign Persist

WASHINGTON, Oct. 27.—(P)—President Truman today lifted Admiral Louis E. Denfeld from his post as chief of naval operations.

WASHINGTON, Oct. 27.—(P)—Plans for a 56,200-man cut in the Navy were disclosed today in the midst of a growing storm over reports that Admiral Louis E. Denfeld will be ousted as chief of naval operations.

Rep. Arends (R-Ill.) said he had been informed that Denfeld will be asked to resign in the "next day or two" because of testimony he gave the house armed services committee on differences in the armed services.

Arends demanded in a statement that the committee convene to meet this "insult to congress." He said the committee had promised Denfeld and other critics of present military policies that they could speak their minds freely without fear of retaliation.

The defense department budget inspector said that in line with a scheduled reduction in size of the operating fleet by next June 30, a corresponding decrease will be made in the navy and marine personnel.

He said a cut of 56,200 men and officers of the navy and marine corps is planned. The current strength is about 516,000.

Army Slash Announced

An army reduction already has been announced. Secretary Gordon Gray said earlier this week that a total of 30,000 draftees and one-year enlistments will be released. This will bring army strength down to about 630,000.

Arends said congress for its own protection must fight an ouster of Denfeld. He said no congressional committee in the future would be able to get testimony "worth a pinch of salt" from officers of the armed services if Denfeld is to get the axe.

Denfeld criticized high military policies as a witness at the house group's hearings on differences among the armed services.

May Be Successors

Rumors have circulated since that he would be ousted from the navy's top post and that Vice Admiral Forrest T. Sherman would succeed him.

Both the Washington Post and the Washington Evening Star published stories today saying Sherman has been called to the capital.

Sherman is now commander of the Mediterranean fleet. The Post quoted Assistant Secretary of Defense Paul H. Griffith as saying Sherman is being called home. It gave further support to reports that Adm. Louis Denfeld would be ousted from the navy high command as an upshot to the bitter inter-service quarrel.

C. of C. Ballots Must be in Friday

Ballots for the election of the new Chamber of Commerce board members must be in the Chamber of Commerce office at 1:00 o'clock Friday afternoon. The ballots were mailed out last week to members of the Chamber of Commerce listing 14 names from which seven new board members will be elected.

Will Show How Atomic Bombs Can be Delivered

PEARL HARBOR, Oct. 27.—(P)—The Navy will show Nov. 7 how atomic bombs can be delivered by submarines.

It will be done by launching 15,000-pound guided missiles—"loons" which could carry atomic warheads—from the standard fleet type submarines Cusk and Carboneiro.

Pacific fleet headquarters said the "loons," 30-foot-long improvement on the wartime German U-boat bomb, will be fired by the two undersea craft off Hawaii. The missiles, electronically guided by the subs, have a range of 100 to 200 miles.

The demonstration will be "a very significant step in the exploitation of sea power," said Cmdr. John C. McCain, Jr., who has charge of submarine guided missile development. He added: "The submarine, with guided missiles, has become a siege bombardment weapon and can be used

For More Home Rule by Cities

JOPLIN, Mo., Oct. 27.—(P)—More home rule for Missouri's cities is urged by Lt. Gov. James T. Blair.

Speaking before the 15th annual convention of the Missouri Municipal League last night, the official urged city officials to strengthen their organization "to check the trend toward government from Jefferson City and Washington."

The league, he said, should be in a position to demand from the state legislature "the right to handle your own local governments and to levy the taxes necessary to pay for their operation."

"The cities of Missouri pay 85 per cent of the tax bill, and 65 per cent of the people of the state live in urban districts. Yet about 90 per cent of our regulations come from Jefferson City."

He urged officials to quit taking their problems to Jefferson City for solution and seek their solution at home.

An early end to the "era of state and federal governments taking over and subsidizing local governmental services" was seen by Edward Staples, executive director of the Missouri public expenditure survey.

The convention, attended by representatives from 150 cities in the state, ends Friday.

Terror From Power Dives In Airplane

Pilot Kills Self
After Making a
Perfect Landing

CLEARWATER, Fla., Oct. 27.—(P)—A 23-year-old pilot terrorized Clearwater residents for two hours with wild power dives in a stolen plane, then calmly landed and shot himself to death today.

Police Chief Geo. McClamma identified the youth as Samuel W. Watkins, member of a well known Virginia family. Magistrate R. L. Baker pronounced the death a suicide.

Officials pieced together this story:

Watkins telephoned a girl friend last night about 11:30 and told her he had decided to kill himself. Then he hung up.

Thirty minutes later frantic residents from virtually every section of town called police headquarters to report that a plane, flying without lights, was buzzing rooftops. Police cruisers spotted the zooming, diving plane and ambulances were readied for a crash.

Watkins hurtled the Piper Cub toward the Memorial Causeway drawbridge and fishermen lining the span were forced to cower behind concrete guard rails. Three times the plane screamed across, once missing the bridge tender's shelter by inches.

Then the plane began raking Clearwater Beach. Cafe and night club patrons reported the little plane zoomed so low over broad Mandalay boulevard at times they could see the grim expression of the pilot's face.

Watkins made a series of dives at homes in the exclusive Country club and Belleair sections. Again and again the aircraft hurtled earthward, only to zoom back into the sky. The landing gear scraped fronds off palm trees on several dives.

Finally Watkins flew back to the airport, its runways lighted by the headlamps of police cruisers. Flying low, the pilot opened the cockpit window and shouted, "Get the hell off the field."

Then he made a perfect landing, applied his brakes and cut his run to less than 100 feet. Police heard a pistol shot, closed in and found Watkins unconscious with a wound in the temple, a pistol on the cockpit floor.

Watkins died in a hospital at 3:10 a. m. today, without regaining consciousness.

Heated Defiance By Tito

Fight to Prevent
Any Subjugation
By Russia he
Says in Speech

By the Associated Press

Premier Marshal Tito of Yugoslavia tossed more hot words of defiance at the Soviet Union and its satellites in retaliation for recent Russian moves against his regime.

"We shall fight—and we shall fight enduringly" to prevent Yugoslavia's subjugation by Russia, he said in a speech last night in Belgrade.

The Communist rebel's fighting words came shortly after Russia had demanded the recall of Tito's ambassador from Moscow and had charged that he was lavishing diamonds on an "American spy."

The espionage agent was named as the Yugoslav-born Metropolitan opera soprano Zinka Kunc Milanov. The singer, now in Belgrade, said the charge published in the Moscow Literary Gazette was "just silly."

Tito, in his speech to a visiting group of Italians who had fought alongside his partisans during the last war, made no reference to unconfirmed rumors of Soviet troops movements in the surrounding Communist satellite countries.

No Direct Red Army Aid

Tito's strength in opposition to Russia stems from the fact that he was a national military hero whose partisans attained their dominant position without direct aid of the Red army.

He said: "We know that in this struggle we are fighting for a great, just cause that will have tremendous historical significance for the future."

At Lake Success, the United Nations political committee struggled with another aspect of the troubled Balkans problem. The United States, Britain, Australia and China called on all countries to keep arms from reaching Albania and Bulgaria until it has been determined they have stopped aiding the Greek guerrillas.

Satellites Condemned

Yugoslavia is believed to have stopped aiding the Greek guerrillas. But a U. N. resolution asked the condemnation of three Communist satellites, Albania, Bulgaria and Romania for aiding the guerrillas in the past.

Recent Athens reports said the guerrillas are moving their base from Albania to Bulgaria as a possible threat against Tito. American advisors have recommended a reduction in the Greek army.

Latest returns in Sunday's elections in Iceland showed the Communists have lost two of their 10 seats in parliament.

Oslo dispatches said the Norwegian Communist party has expelled a former party secretary for "Titoism," blaming such deviation for Communist reverses in elections of two weeks ago.

The Indian home ministry in New Delhi announced that N. V. Godse and Narayan Apte will be hanged Nov. 15 for the assassination of Mohandas K. Gandhi.

Severely Burned By Gas Flareup

Mrs. J. J. Lamm, of Sedalia, route 5, was burned Tuesday afternoon when the oven of her bottle gas stove exploded when she tried to light it. Mrs. Lamm believed that she had lighted the oven some time before but it evidently did not light. When she returned to the oven later and found it cold she struck another match to light it again and the gas in the unlighted oven exploded, knocking her down. Her small grandson, Gregory Padgett, was the only one in the house with her at the time, and when the explosion occurred he screamed for his mother, Mrs. Bill Padgett, who was in the yard.

Mrs. Lamm had managed to put out the fire of her clothing before her daughter reached the kitchen, but her hose were burned off of her and she received burns on her arms and legs. Her eyebrows, eyelashes and hair were also burned. Mrs. Padgett grabbed a flaming dish towel near her mother and threw it out the door. Although Mrs. Lamm is still confined to her bed, she is getting along satisfactorily. Her most serious burns are on her arms which are bandaged.

Try to Restore Sight of Boy Blinded in a Cave

NEW YORK, Oct. 27.—(P)—The killed hands of a surgeon sought anew today to restore sight to the eyes of a 10-year-old boy refugee, blinded from living in a darkened cave in Poland.

The boy, Sigmund Eisenberg, fled to the cave to escape the Nazis. Its inky darkness plus a lack of vitamins led to blindness. The new treatments are being given by Dr. Edmund Carter Rosenhauch, former Polish army colonel. It was Rosenhauch who two years ago at a displaced persons hospital in Munich examined the boy. He's now practicing here.

Sigmund arrived here earlier this week as a displaced person. He and the doctor met again and under eye therapy was decided upon.

Dr. Rosenhauch said Sigmund is suffering from corneal ulcers of both eyes. He said he believes the corneal spots can be made smaller. If not, a corneal transplant may be recommended.

Sigmund's mother and stepfather came to America with him. Yesterday, she wept in the doctor's office.

Good Reason To Locate Cattle Owner

'Finders Keepers' Isn't Such A Good Idea In Illinois

CHAMPAIGN Ill., Oct. 27—(AP)—Mrs. Nelson Dinkle would like to get her hands on whoever first set forth the principle of "finders keepers."

Here's why: A few days ago Mrs. Dinkle saw six calves roaming along U. S. highway 47 near her home at Seymour.

She put them in her chicken yard, the only spot on her place for livestock, and waited for the owner to come for them.

But he didn't come. The calves, meanwhile, are eating her out of house and home, she says.

Finds Real Problem She went to her lawyer. He found the answer to her problem in an 1872 law on estrays. The law says all she has to do is this:

Post a public notice that the stray cattle have been found; record with the township clerk the age, marking and color of each; have the justice of the peace stamp her statement a formal declaration; have the justice of the peace appraise the value of the animals; have the county clerk run a public notice of the find in a newspaper for three weeks.

Mrs. Dinkle, the law ads, must care for the cattle for one year. If the owner doesn't claim them in that period, she can sell the calves, deduct the cost of their year's upkeep from the proceeds and turn the balance over to the county.

Trying Advertising But that's the hitch. She says she has no way of carrying for them for even a few more days.

She thought of leading them back to the highway where she found them. Her attorney said she hadn't better do that, a car might hit them and she'd be liable for damages and injuries to motorists.

Mrs. Dinkle today is running a display advertisement in the Champaign News-Gazette. She's hoping "it pays to advertise" gives her a better break than "finders keepers."

Accuse a Texas Girl Of Murder

SAN SABA, Tex., Oct. 27—(AP)—Seventeen-year-old Sandra Petersen, accused of murdering a Brady Texas, real estate man was declared a juvenile delinquent.

Judge Jack Miller, sitting on the bench of the juvenile court at San Saba, ordered her placed in custody of the state youth development council "for an indeterminate period, not to exceed Dec. 11, 1952."

On that date Sandra, a native of Somerville, Mass., will become 21 years old.

She is charged at Brady with shooting real estate man Lewis Patterson and leaving his body in a roadside ditch Aug. 24.

Sandra came before Judge Miller here on a charge of aggravated assault in another hitchhiker incident the day before Patterson was shot.

Mimford McCoy of Merkel testified that he gave Sandra and her companion, Loretta Fae Mozingo, 15, of Austin, a lift from Lampasas Aug. 24. He was to let

them out at Lometa. But he testified that when they reached Lometa the girls forced him at point of a gun to drive on to San Saba, 39 miles away.

The girls got out at San Saba. Both Sandra and Loretta Fae testified today that McCoy positioned them. McCoy denied this.

Veteran's Car Repossessed; Trouble Brews

Wichita Police And FBI Agents Making Investigation On It

WICHITA, Kas., Oct. 27—(AP)—Trouble for a Texas finance company that repossessed a disabled veteran's car was promised by Police Capt. R. B. Price.

Price said the Pampa, Tex., company took the car—containing \$315 in welding equipment belonging to the veteran—from the Veterans Administration Hospital parking lot here four days ago.

He identified the veteran as

George H. Haragan, 24, of Crosby, N. D.

The detective head said Haragan parked his car at the hospital Oct. 22, and checked in for a third operation for a service-connected disability.

Haragan reports, Price added, that the finance company called him told him the car had been repossessed, and asked, "what are you going to do about it?"

Price took up the case, since the hospitalized veteran "isn't in position to do anything about it," Price said.

He said Haragan told that he still owes \$125 on the car, that he signed no mortgage, but made out post-dated checks on the Texas company's advice, to be released to him as he met payments.

Haragan admits he had fallen behind in the payments, Price said.

"But the Texas company by-

passed the courts in taking the car, removed it from federal property, laid itself open to charges of stealing the welding equipment, and apparently crossed state lines with the car," he added.

FBI agents are checking to learn who actually took the car, Price said, "so appropriate charges also can be placed against that individual."

Deputy County Attorney Lael Alkire confirmed that he is working with police on the case.

The Helen G. Steele Music club presented Dale Reubart, pianist of Kansas City in an all Chopin program, commemorating the centennial anniversary of the death of Frederic Chopin October 17, 1849, at the Heard Memorial Club House Wednesday afternoon.

Mr. Reubart captured Chopin's delicacy and occasional heavier moods with mystifying ease. His opening number the "Fantasia-Improvisation in C sharp minor, Op. 66" possessed a quality that is seldom heard in one of Chopin's most popular compositions.

The four preludes, "E minor, E major," "E minor and the B flat minor" were well executed. The actual meaning of the word "prelude" is a preface, something done to prepare the way for something more important, but after Mr. Reubart finished the above mentioned preludes there was nothing to follow, all had been said sincerely and with out the slightest faltering.

Between each of the three sets that made up the program the artist talked to the music club members and their guests in an informal manner. He told them of his feeling of Chopin's music and how the thought it should be played. Two ballads, "Op. 47, in A flat Major" and "Op. 52, in E minor" were in excellent taste. The "F minor" was as Mr. Reubart announced it, full of warmth and possessing a certain degree of romanticism.

The two etudes, "Op. 10, No. 9, in F minor" and "Op. 25, No. 11 in A minor" were typical of Chopin's studies on various points of technic. "Nocturne, Op. 27, No. 1 in C sharp minor" was full of melodic themes that have placed Chopin's music on such a high level of deserving appreciation.

The "Schrezo, Op. 31, in B flat minor," was the last scheduled selection on the program. This composition was finished in a brilliant manner. The sprightly mode that a scherzo must have was brought out with competence. Mr. Reubart was gracious and served up two encores. The "Waltz in C sharp minor" and the "Etude in C minor" were both received with enthusiasm. Mr. Reubart's entire program was done in a spirit that was complimentary to Chopin as a romanticist of the piano.

Following the concert the teacher of Mr. Reubart, Richard Canterbury also of Kansas City, addressed the members of the club and the guests. Canterbury was introduced by the club's life president, Mrs. E. F. Yancey, Canterbury expressed his appreciation of the courtesies that were given him by the various members of the club and added a few remarks concerning the works and life of Frederic Chopin.

Mrs. Reubart's wife was also introduced and she told the young people present who were studying music to have courage and to work hard for their musical goal. The special guests present were a number of pupils of some of the piano instructor's who are members of the club.

Decorations and favors were in

MUSICAL "AIR"-DALE—His voice may be a little on the bathroom baritone side, but Jinx puts his whole heart and howl into every number. Accompanied by his mistress, Madeline Hunsicker of Allentown, Pa., Jinx knocks off a couple of arias.

keeping with the Hallowe'en motif.

The afternoon was spent in playing games for which awards were given.

Refreshments of ice cream, cake and punch were served to the following: Doris Bohon, Deanna Bohon, Barbara Watson, Judy Ann Henry, Sheila Lee Nold, Jane Black, Gwenie Sue Moon, Juanita Steele, Barbara Mabry, Patricia Hamby, John Spahr, Wanda McCubbin, Barbara Freund, Nina Sublett, Sheila Merry and Vera Lee Monroe.

Mrs. Richardson was assisted in serving by her other daughter, Donna Lynn.

Osage chapter, Daughters of the American Revolution, met at the country home of Mrs. Ed Heffernan, east of Sedalia, Saturday afternoon.

A dessert luncheon was served at 1:30 o'clock.

The meeting was presided over by the regent Mrs. A. L. Walter. Following the business meeting the program chairman Miss Nina Harris, introduced Mrs. Harry E. Lindstrom, who gave a report on the writing of the constitution. It included many articles that might have been in the constitution had it not been for the heated debates among the writers. Both humorous and serious aspects of the experiences of the writing of the constitution were cited.

Mrs. A. F. Scott was asked to give an impromptu report of her trip to the Maine coast and gave a most interesting description of several houses and their furnishings in the town of Kitting. Many of the homes date back to the original settlers. Both houses and furnishings have been kept as nearly as possible in their original state.

Mrs. Heffernan was assisted by the members of the committee, Miss Nettie Lamm, Mrs. Leonard McClure, Mrs. H. P. Vaughn, Mrs. H. Clay Jones, Miss Nellie Rice, Miss Katharine Rice, Miss Lelia Shortridge and Miss Mamie McCormick.

The annual Hallowe'en Frolic of the DeWitt Junior club will be held at Miss Mabel DeWitt's home, 717 East Ninth street at 7:30 o'clock this evening.

The Nautilus club of LaMonte met Thursday afternoon, October 20th at the home of Mrs. Raymond Wasson. The president, Mrs. Elmo Wheeler, presided.

Mrs. Earl Horton and Mrs. William Abell were elected as delegates to attend the 40th annual convention of the Missouri Federated clubs to be held at Arm-

strong, November 8. The educational committee had charge of the program for the afternoon with Mrs. George Swope chairman. Mrs. Guy Ballen gave a book review the topic being "Do You Know What You Are Buying?" by Louis Ludwig.

Mrs. Arthur Dorrance was a guest. The hostesses served refreshments of tea, coffee and cookies.

Mr. and Mrs. Robert A. Schieszer celebrated their fiftieth wedding anniversary on Sunday, October 9, with open house from two until five o'clock at their 109 year old farm home, at Hardeman.

The home was decorated with white wedding bells tied with bows of gold ribbon. The dining table, covered with an ecru cloth, was centered with a three tier wedding cake with a miniature bride and bidegroom decorated in gold. Cornered at one end of the table was an attractive bouquet of roses, mums and carnations in the yellow shades with the gold decoration and bow. On either side of the bouquet was yellow candles in gold candelabra. Cornered at the other end of the table was the crystal punch bowl. The knife with which the couple cut the cake, was in gold, with a gold metallic bow.

The living room was accentuated with the golden wedding scene of beautiful yellow and gold floral bouquets which were gifts to the honored couple. Many other lovely gifts, cards, letters and telegrams were received and there were displayed on th second floor at the top of the winding stairs, by Mrs. Lon Schieszer of Monett.

This occasion was also the 25th anniversary of a son, Robert W. Schieszer and his wife.

Those assisting in this memorable occasion was the daughter, Miss Martha Rose Schieszer, of Kansas City; the daughter-in-laws, Mrs. Fred E. Schieszer of Kansas City; Mrs. Robert W. Schieszer and Mrs. Charles A. Schieszer of Marshall; a granddaughter, Mrs. William Durrett, of Marshall, and nieces, Mrs. Silas Hall, Marshall; and Miss Pearl Rose, Mrs. John Welch and Mrs. Tyrie Colaflower of Sedalia, and Mrs. Lon Schieszer of Monett, a sister-in-law.

Their children were all present: Miss Martha Rose Schieszer, Kansas City and Fred E. Schieszer, Kansas City; August Schieszer of the home; Robert W. and Charl A. Schieszer of Marshall, and their families.

Attending from Sedalia were: Mr. and Mrs. Mottis Schieszer, Mr. and Mrs. Russell Schieszer and family, Mrs. D. A. Rose, Mr.

Returns From Conference Held by FHA

Oscar DeWolf at Columbia Meeting For Two Days

Oscar H. DeWolf, local supervisor of the Farmers' Home Administration, has returned after spending two days in Columbia, attending a conference with other FHA officials where the Farm Housing program authorized as a part of the Federal Housing Act of 1949 was discussed.

Mr. DeWolf said that early this month, the Congress appropriated 25 million dollars for the Farm Housing part in activating the Housing Act. This amount is to provide more adequate, safe and sanitary housing in rural area, also under certain condition, repair or build other farm buildings as well as some land development and farm enlargement.

The Housing Act of 1949 states "Governmental assistance for decent, safe and sanitary farm dwelling and related facilities shall be extended where the farm owner demonstrates that he lacks sufficient resources to provide such housing on his own account and is unable to secure credit for such housing from other sources on terms and conditions which he could reasonably be expected to fulfill."

Various Loan Types

DeWolf further added there are three general types of loans provided for—the Section 502 loan may be made to qualified farm owners who have the ability to repay such loans in full from farm income and other sources. These loans may be made to construct, improve, alter, repair or replace essential farm buildings, including in connection with the loan to improve the house heating, electric wiring, cook and refrigeration facilities in the dwelling, but not refinance, buy or improve land. These loans may be amortized over 5, 10, 15, 20 or 33 years.

The Section 503 loan may be made to qualified owners who cannot reasonably be expected, during the first five years of the loan period, to repay all of the annual installments, but, nevertheless, will be able to pay at least 50 per cent of each principal installment during this period and whose farm can be developed and, or enlarged within a period of not more than five years to an adequate farm unit and have sufficient debt paying ability to repay the unpaid balance of the loan over the remaining years of the amortization period. The main purpose of this loan is the same as with the Section 502 loan and in addition develop land and buy additional land for enlarging and undersized farm unit, but not to refinance land debts. This loan is amortized over a 33-year period.

The Section 504 loan and grant may be made to qualified owner-occupants of farms for minor repairs and improvements to the dwelling that he occupies to make the dwelling safe and sanitary and to remove hazards to the health of the applicant, his family or the community. Minor repairs may also be made to other farm buildings in order to remove hazards and to make such buildings safe. These loans may be amortized over 5 or 10 years. The amount of this loan cannot exceed \$1,000. According to DeWolf, Title V

and Mrs. John A. Rose and daughter Gayle, Miss Pearl Rose, Mrs. Tyrie Colaflower, Mr. and Mrs. John W. Welch, Miss Phyllis Bush and Mr. and Mrs. Art Lipscomb.

of the Housing Act of 1949, which authorizes Farm Housing loans, permits the government to accept as security, a second deed of trust, provided the normal market value equity after improvements are made is at least equal to the amount of the loan. The Farmer's Home Administration is authorized in this title of the Housing Act of 1949 to administer the Farm Housing program. Mr. DeWolf is the Pettis County representative.

(MRS. M. R. GILLESPIE)

The Willow Grove W. P. F. A. held its regular all day meeting October 20 at the home of Mr. and Mrs. Elmer Steel with Mr. and Mrs. Rabern Kella co-hosts. A dinner to which all contributed was served at noon. There were sixteen members and the following guests present, Ray Rucker, Frank McClain, Bill Clemens, Louis Roth, Henry Lahmeyer and Mr. and Mrs. M. R. Gillespie. A business meeting was held in the afternoon with the president, Mrs. Hunry Lahmeyer, presiding. The meeting opened with group singing with Mrs. Buster Brown at the piano. Mrs. Pink McCart conducted the devotional service. Roll call was answered by my favorite radio program. Mrs. Bill Clemens and Mrs. Elliott Morris reported on the District W. P. F. A. meeting held at Warsaw October 1. They also reported on the County W. P. F. A. meeting held the Rod and Gun club near Boonville October 15. The annual election of officers was held. Elected were: President, Mrs. Billie Clemens; vice-president, Mrs. Bill Nowlin; secretary-treasurer, Mrs. Elbert Sprigg; J. F. A. leader, Mrs. Rabern Kella, with the following assistants, Mrs. Louis Roth, Mrs. Buster Brown and Mrs. Elliott Morris; chaplain, Mrs. Frank McClain; assistant chaplain, Mrs. Pink McCart. The hostesses for November will be named later.

The Rev. C. C. Cox of Miami preached for the Baptist church Sunday. He was a dinner guest of Mr. and Mrs. Clark Thornton.

Mr. and Mrs. Walter Davis returned to their home Sunday evening after a week visit with her mother, Mrs. J. N. Whitlow. Additional dinner guests Sunday in the Whitlow home were: Mr. and Mrs. Jack Hackley and son, Johnnie, of Odessa and Mrs. W. P. Netherton.

Mrs. Warren Thompson and daughter, Gayle, of Wichita, Kas., are guests of her mother and brother, Mrs. H. L. Day and Norwood Day. Mr. Thompson accompanied them here October 15 and returned home next day. Mrs. Thompson and daughter plan to leave the later part of the week for Kansas City for a visit with relatives before returning home.

Mr. and Mrs. Harold Holder of this community entertained at a covered dish dinner Sunday in honor of her cousin, Mrs. Leo McCutcheon of Livingston, Mont., who is visiting relatives here and to honor Fred Taylor of Nelson whose birthday occurs this month. Beside the guests of honor present were: Mrs. E. J. Brommer, Mr. and Mrs. Arthur Twillman and three daughters all of Boonville. Mr. and Mrs. Arch McGuire of Pilot Grove, Mr. and Mrs. Will Taylor, Mrs. Fred Taylor and son, Sammy Ray, of Nelson, Mr. and Mrs. M. R. Gillespie of Blackwater, Mr. and Mrs. Oscar Younger, Unk.

Was Hostess to Community Club

Mrs. Benton West entertained the Striped College Community Club Friday, assisted by Mrs. Tom West and Mrs. Joe Edwards.

After the covered dish dinner, Mrs. Kurman Riley called the meeting to order. Roll call, "My Hobby" was answered by 29 members and three guests, Mrs. Thos. Raines, Misses Katherine and Minnie Scott. Mrs. A. A. Lichte led the devotional. The minutes of the last meeting were read and approved and the treasurer's report was given. Mrs. Erwin Shirley, Mrs. Martin Schupp and Mrs. Ernest Stevens volunteered to serve the 4-H club at the November meeting. A box of groceries was donated to the Striped College school for the school lunches. There was an extensive discussion on the school group voting which is to be held November 4. Letters from the home agent and state president were read by Mrs.

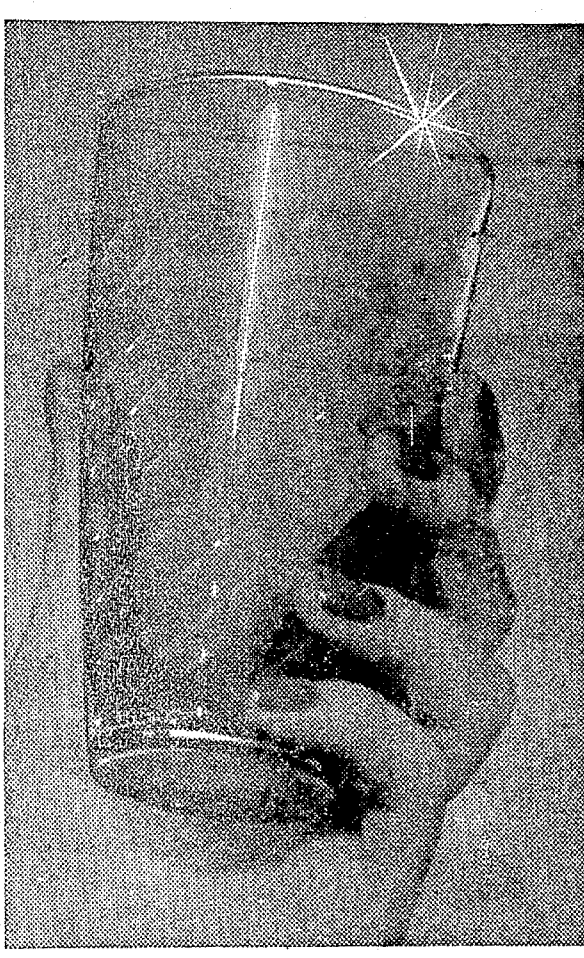

Glen Cox and Mrs. Erwin Shirley. The incoming officers were installed by Mrs. Riley, after which games were played and club pal gifts distributed.

SURREALIST SCULPTURE SHOWS STRING-BEAN INFLUENCE—A trend toward "under-nourished" statues appeared at a showing in Paris by "Les Surindependants," a group of surrealists, cubists and realists. The statue of the dancer, left above, was described as "one of the more conventional" works in the show. The title of the piece at left—and the question it seems to be asking—is "Am I Beautiful?" Does STOMACH GAS Keep You AWAKE NIGHTS?

If you pitch and toss at night—count sheep till the wee, small hours, suffering from those distressing symptoms of what the doctors call "flatulent dyspepsia"—the feeling of heaviness after meals, belching, bloating and colic due to gas in stomach and intestines; you will be delighted to learn of a tested relief for these distressing symptoms. A group of eminent Medical Scientists who studied the problem for many years found that when two ALLIMIN Garlic Tablets are given after meals, men and women who suffer from the distressing symptoms of "flatulent dyspepsia" got real, satisfactory relief in the great majority of cases. This was supported by extensive X-ray studies. ALLIMIN is the largest selling garlic tablet in the world. More than 250 million of these tablets have been used to date. They are for sale at all good drug stores everywhere. Your money back if they don't give you the relief you yourself expect.

Sedalians Ride In Helicopter

'Red' Carson, Who Formerly Was at SAAF, is Pilot

Sedalians were treated to a thrill they'll not forget when they were taken up for a short ride in a \$25,000 helicopter, which took off and landed before a crowd west of Liberty Park ball diamond, this afternoon.

The helicopter was brought to Sedalia this morning as part of an advertising stunt, conducted by representatives of Wynn, the name of a friction proofing oil. With each purchase of the oil, a free helicopter ride was given. The rides were expected to last until late this afternoon, until all the tickets were exhausted.

E. B. "Red" Carson, South Carolina, who was the pilot, is no stranger in Sedalia, having been assigned at the SAAF base as a glider instructor, two years during the war. He takes his wife, Dorothy, and son, Jimmy, along with him in their house trailer while on the helicopter tour.

The first passengers to go up this afternoon were Mr. and Mrs. Jimmy Glenn, 1105 South Ohio avenue. "Red" and Jimmy are great friends, having met in Sedalia during the war. Mr. and Mrs. Carson are staying overnight with the Glens.

The young red haired pilot said he has been operating a helicopter during the past couple years. He was asked if he had ever had any narrow escapes, and he said he had a couple. One while flying over Phoenix, Ariz., when the gas line broke, and another when flying over Mobile, Ill., fair when the motor conked out.

Safest for Flying
A helicopter is the safest flying machine made, and that is probably why "Red" is still flying one. Even if the motor were to stop in flight, its "rotating wings" continue to revolve, acting like a parachute and allowing safe descent.

The helicopter tour came from Blatter where it spent Wednesday, giving those citizens rides. Friday the tour is scheduled to move to Columbia. The tour will then head toward Chicago, and then move westward toward headquarters at Azusa, Calif.

Two passengers and the pilot went up during each flight this afternoon, providing the three

Third Suit Over Arrests

Three \$3,000 damage suits within the past nine days have been filed in circuit court by Kansas Citizens against William A. Derendinger of Sedalia. The last suit was filed this morning by Kelly Meyer.

The damage suits stem from a charge of an assault upon Derendinger, in which Lewis Bassert, David Cornell, James Carter and Kelly Meyer were involved. They were arrested at 3:30 a. m. following the assault by police on August 27, and were held in the city jail until police court opened that morning at 9:00 o'clock.

When Derendinger failed to appear against them in city court, the four were released. On August 30, Derendinger made a new complaint to the Pettis County Prosecuting Attorney William F. Brown on the same charge, and as a result information was filed against the four Kansas Citizens, who were rearrested.

David Cornell, the only one who hasn't filed a damage suit against Derendinger pleaded guilty to an assault charge upon Derendinger in Magistrate court, October 8, and was fined \$15 and \$32.50 court costs.

Bassert, Meyer and Carter were dismissed in Magistrate court, after Cornell pleaded guilty to the fistfight affair which took place around 3:00 a. m. on the morning of August 27, after Derendinger closed his place of business on east highway 50 and was allegedly accosted near the home of one of his employees, who he was taking home.

Balke and Kelly are attorneys for the three who filed damage suits.

Pettis Players Select Play

First readings for parts in the Pettis Players' production of "The Man Who Came to Dinner," a Kaufman-Hart comedy success, will be held at the club's next meeting, November 7th, at Broadway school, 7:30 p. m.

This play was selected for the Players' first production at the second meeting of the newly reorganized dramatic club, which was held Wednesday night at the home of Mr. and Mrs. William Ward. After an intensive study of the available material, "The Man Who Came to Dinner" was chosen first for its fine amusement content, and second because it offers a wide range of characterizations. There are ten men and nine women in the cast, also a number of extras.

Co-directors will be Mrs. John Metcalf, who has had wide experience in little theatre work in New Orleans, and Michael J. Bogutski, with like experience in St. Louis. The directors will cast the play after a thorough survey of the talents and abilities of the members. A complete set of scripts has been ordered and will be available for try-outs at the November 7th meeting.

Maurice Hogan, president, stressed that persons interested in any field of little theatre work are welcome to attend the meetings and affiliate with the club. Beside those wishing to take part in the productions, there are places for those wishing to construct and paint settings, handle lighting, or do make-up or costuming. "The Man Who Came to Dinner" will be presented in February, probably for two nights.

NEWSPAPERARCHIVE

Sedalia Papers Are Reproduced

COLUMBIA, Mo., Oct. 27.—The State Historical Society of Missouri is still the largest state historical association in the nation in terms of membership. Floyd C. Shoemaker, secretary, announces.

For twelve straight years the Society has ranked first in the number of active members among all state historical societies in the United States, a position it first reached in 1934 and 1935 and has held continuously since 1937. The Society's 24th biennial report, issued today, reveals that the organization had 4,962 paid annual members as of June 30, 1949, or almost 1,500 more than the State Historical Society of Wisconsin, which ranks second in the nation with 3,500 members.

The biennial report also includes a list of 864,408 pages of the society's valuable old newspaper files which have been reproduced on microfilm during the biennium. In addition to this total, 49,980 pages of additional files on microfilm were added to the Society's collection by gift or purchase during the biennium. Today the Society has a total of 1,455,246 pages of newspapers permanently preserved on microfilm.

Included among the Society's newspaper files reproduced on microfilm are 118,596 pages of old Sedalia papers.

The body was taken to Tipton.

Funeral of Dr. R. L. Fogle

Funeral services for Dr. Robert L. Fogle, 70, of Ottaville, who died Wednesday noon, October 26, at the Bothwell hospital where he was taken Thursday, October 20, following a severe heart attack at his home that morning, will be held at the family home at 2:00 o'clock Friday afternoon, conducted by the Rev. William Sampson, of Prairie Home, formerly of Ottaville and assisted by the Rev. H. A. Wood, pastor of the Ottaville Methodist church.

Palbearers will be: George Burnett, J. H. Gunn, Elmer Fowler, T. R. Blakesley, Lawrence Moore and Lucius Parker.

Doctors of the Pettis County Medical Association will be honorary pallbearers.

Interment will be made in the I. O. O. F. cemetery, where services will be under the direction of the Masonic Order and the American Legion.

The body is at the Hayes-Pain-ter funeral home where it will remain until 5:00 o'clock this evening when it will be taken to the family home.

Dr. Fogle was a practicing physician for 46 years, having practiced in New Lebanon and Clifton City prior to his moving to Ottaville, when he bought Dr. A. E. Monroe's home and practice when Dr. Monroe moved to Sedalia.

He was born December 1, 1878, the son of the late Robert and Mary Briggs Fogle and lived on a farm near Downing. He was graduated from the Kirksville Teachers college and taught school for a short time near Kirksville. He was also graduated from the Marion-Sims college known now as the Washington University. His father was an officer in the Confederate Army and named his son for General Lee. He was a member of the Cumberland Presbyterian church near Downing and was deacon in the church as a young man; was a member of A. F. and A. M. Masonic Order; Eastern Star and of the Pettis County Medical Society. He was a veteran of World War I, having obtained the rank of captain, and the past years was a member of the medical reserve corps. He was a member of the American Legion, George Clark Harlan Post 84.

He was married to Miss Cora Graves and to this union one daughter was born, Mrs. Harriet Monroe, wife of A. B. Monroe, of Sikeston. Mrs. Fogle died in 1932 and in 1935 he was married to Maude Zollinger, who with the daughter survive as does one grandson, Robb Lee Monroe of Sikeston.

H. U. Campbell, pastor of the Fifth Street Methodist church, officiating.

Members of the Singing Scouts served as honorary pallbearers and singers. Those who sang were: Anna Lou Alcorn, Ruth Ann Botts, Louise Chasnoff, Anna Lee Dotson, Sally Jo Dowdy, Margie Glenn, Mary Ann Johnson, Donna Knerl, Katherine Lamb-birth, Louise Renfrow, Donna Robinson, Alberta Runge, Wilma Schill, Barbara Sweet, Olive Vincent and Dorothy Ann Reed will accompany them on the organ. This group is led by Mrs. A. R. Beach. They will sing, "The Lord's Prayer" and "Peace I Leave With You."

Palbearers were Donald Van Hook, Billy Joe Hayworth, William Davidson, Jerry Nicholson, Duane Funnell and Don Haley.

Interment was made in the Crown Hill cemetery.

Funeral of Mrs. Krause

Funeral services for Mrs. Rosina Mathilda Grause, 81, who died Sunday night at the Bothwell hospital were held at 1:30 o'clock Wednesday afternoon at the St. Paul's Lutheran church in Concordia, conducted by the Rev. H. Shreiner.

Palbearers were: Fred Mahn-ken, Lee Strader, William Holsten, John Neirman, Martin Dierking and Martin Oehlschlaeger.

Interment was made in the St. Paul's church cemetery.

Mrs. Krause was born in Saline county near Sweet Springs, February 24, 1868, the daughter of Peter and Louise Dierking Steinkuehler. She was reared and educated and confirmed in the Lutheran church in the parish of her birth. She was married to Henry Krause who preceded her in death, September 18, 1898.

The family belonged to the Dunksburg, Emma and Sweet

Beef on Hoof Near to Record

CHICAGO, Oct. 27.—(P)—Beef on the hoof is selling today at near record prices in the Union stock yards.

But don't let that worry you. You aren't going to find that beef in your butcher shop with a near record price tag. In fact, you aren't going to find it there.

The top 1949 price for cattle, paid yesterday, was \$41.50 a hundred pounds for prime steers. That will cut out to prime meat. It's the kind of meat which is sold directly to "name" restaurants, clubs and hotels. It doesn't get into the butcher shop.

"People who will buy those steaks won't care much whether the price is \$3.00 or \$5.00," one livestock commission man said. "There's always a steady demand for beef from those restaurants, regardless of price."

Sister of the Late S. M. Jordan Dead

ALBANY, Mo., Oct. 27.—(P)—Mrs. Minnie Jordan Flowers, 83, died at her home here yesterday. She was a sister of the late Samuel M. Jordan, a pioneer in Missouri Farm Bureau and agricultural extension work. Her husband, Dale S. Flowers, died in 1941.

be done by Mr. Truman. The possibility of getting Murray to meet with U. S. Steel's representatives was not too remote. On Tuesday, the corporation's chairman, Irving S. Olds, said it seemed sensible for company and union to "sit down and see how far we could get toward agreeing on a pension program."

Threat of Full Shortage

Besides the growing unemployment, there was a threat of a fuel shortage if the 39-day mine walkout lasted much longer. Already, more than 600 passenger trains had been discontinued on government orders to save coal.

Peace efforts appeared bogged down in the coal strike. Union-Operator talks at Bluefield, W. Va., recessed yesterday until next Tuesday.

There were indications that once Mr. Truman decides to act it will be to exercise the prestige of his office. This could mean calling the disputing parties to the White House for a personal appeal, or it could be an invitation to negotiate in the White House.

A step of this sort was understood to be preferred by administration advisers to use of the Taft-Hartley law emergency powers, with their eventual strike-halting court injunctions.

David Edward Holbeck, 25-day-old son of Rev. and Mrs. Frank Holbeck, of Decatur, Ga., died there, October 20.

Mrs. Holbeck was formerly Miss Ruth Schneck, of this city, and is the daughter of Mrs. George Schneck, 207 South Grand avenue.

The baby was born in Decatur on September 25, 1949.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped slipped or wobbled at just the wrong time. Do not live in fear if this happens to you. Just sprinkle a little FASTFETH the Alka-Bi (non-acid) powder on your plates. False teeth more firmly so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTFETH at any drug store.

Pilot Grove

(By MRS. J. H. COLEMAN)

The annual meeting of the Missouri Farmers Association Oil company was held at the high school at 8:00 p. m. Monday. Raymond Renter is the agent at Pilot Grove and Clemence Reuter presided at the meeting.

Andrew Stoecklein was chairman of the nominating committee and delegates in charge of the plans were: Clemence Reuter, Andrew Stoecklein, K. C. Mullins, Arthur Hayes, Herbert Zeller and Raymond Reuter.

Operation of the company during the past year were discussed and after a movie was shown refreshments were served. R. J. Roarer, secretary of the M. F. A. was the guest speaker.

The Cooper County Poultry Improvement Day will be held in Pilot Grove today from 9:30 a. m. until 3:00 p. m. Representatives of Missouri college agriculture will give discussions.

The members of the Parent Teachers organization met at the high school auditorium Monday evening October 17. The meeting was called to order by the President Mrs. Norman Johnson. Twenty-seven new members were reported by the membership committee. The program committee consisting of Mrs. Ed Harville, Mrs. Morris Settle and Mrs. C. E. Stegner presented the following program. Piano trio, Mary Stegner, Catherine Harville and Dorothy Settle; Song and Dance routine, Beverly and Jane Harville; Tap dance and Twirling, Patty Settle and Jeannette Hartman. Two education films were shown by Max Shay.

Mr. and Mrs. L. H. Judy were business visitors in Rocheport Monday. Mrs. Judy also visited in Columbia with her daughter Betty, student at the University of Missouri.

Reuben Eichelberger of Kansas City spent the week-end with his parents Mr. and Mrs. Roger Eichelberger.

Mr. and Mrs. Charles Hoff have moved in to their new home which they recently purchased from H. A. Seltsam. Mr. and Mrs. Marvin Mayor moved into their new home that they recently purchased recently from H. A. Seltsam.

Mr. and Mrs. George Stoecklein and son Bobby Rae of Los Angeles arrived Monday to visit relatives.

Mr. and Mrs. Ralph Warnhoff and daughter Deborah Ann of Kansas City are spending a few days with Mr. and Mrs. Walter Warnhoff and Mr. and Mrs. George Morris of Boonville.

Mrs. Guy Long accompanied Mr. and Mrs. William Mullett to Springfield Saturday afternoon. They will be guests in the home of Mr. and Mrs. Marshall Roberson and daughter Carol and Marcia. On Sunday Mr. and Mrs. Roberson will entertain in honor of their twin daughters birthday anniversary.

Mrs. Julia Stoecklein returned to her home in Kansas City Monday after visiting a week with her sister Mrs. Joe Neckerman, Mr. Neckerman and family.

Pfc. Dale Beck left Tuesday for Chanute Field, Rantoul, Ill., after spending a ten-day leave with his parents Mr. and Mrs. Francis Beck.

Mr. and Mrs. Harold Harville and daughter Beverly and son

Resort styles offer something special in winter playtops—fashions by a Florida designer: Leopard printed swim suit (above) is diaper-styled; sharkskin pedal-pushers (center) are one-piece.

This midriff outfit breaks up to make "separates" (above). The brief top is a "butterfly"-style sweater of knitted navy and white striped cotton. The navy rayon sharkskin skirt is designed to take a change of tops.

LUXURY LINERS... These toppers are lined with simulated fur that looks and feels like the real thing, are really fabric. All are by Judy Nell.

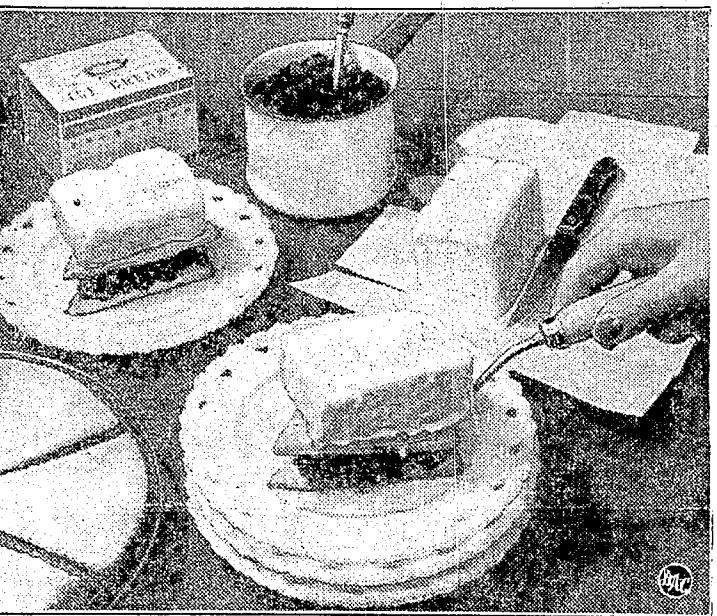

Jimmy were dinner guests Monday of Mrs. E. A. Harville and daughter Kathryn and Jane.

Mrs. Emil Carl of Billingsville entertained the members of the weekly progressive pitch club on Wednesday. Mrs. Fred Stoecklein won high score, Mrs. Paul Sombart won the low score prize. Guests were Mrs. A. J. Hayes, Mrs. H. M. Brownfield and children Jeanette and Ronnie, Mrs. Edward Helmrich and daughter Nancy, Mrs. Lou Chamberlin,

Mrs. M. B. Martinez and son Ronnie, Mrs. Fred Stoecklein and daughter Sharon and Mrs. Paul Sombart. Refreshments were served by the hostess.

Standards of Achievement were awarded to the twenty-one rural women's clubs of Cooper county by Miss Jeannette Palmer, county house agent on Saturday October 22nd at the Central school in Boonville. A program of music, reading and skits was given by the members of the various clubs.

Packaged Ice Cream Modernizes Mince Pie

AN old-fashioned favorite brought up to date thanks to modern packing methods is this mince pie a la mode. A speedy dessert, you couldn't find one that would make more of a hit, combining as it does flaky pastry, meaty mince meat, and ice cream. Means simply having a carton of pre-packaged ice cream in the freezer unit of the refrigerator to cut just before serving; heating a can of prepared mince meat, and filling the triangles of pastry. The pastry can be baked the day before, cut in individual servings for pie before baking. No soggy undercrust this way, and you can make up just as many pieces of pie as you need.

Mrs. Milton Schlotzhauer, Mrs. Ella Phillips and Mrs. Henry Jeffress gave a skit, directed by Mrs. Robert Warnhoff. Dr. Starley Hunter, chairman of the house economics department of the University of Missouri was the guest speaker. The Opti-Mrs. club of Pilot Grove received a one hundred per cent rating in the flower display. The blue ribbons were

presented to Mrs. L. H. Judy, Mrs. Herbert Schlotzhauer and Mrs. J. H. Coleman of Pilot Grove. Misses Mary Kathryn and Martha Anna Ries of Sedalia spent the week-end with their parents, Mr. and Mrs. Herman Ries. The executive committee of the Womn's Guild of the Reformed Evangelical church will meet

New Synthetic Fiber Invented

WILMINGTON, Del., Oct. 26—(AP)—A \$22,000,000 investment in a new synthetic fiber that eventually may become part of skirts and ships and auto tops and chimney screens and tents was disclosed today by E. I. du Pont de Nemours & Co.

Orlon is its name. Commercial production is scheduled to start late next year in a new plant under construction at

Tuesday at the home of Mrs. Herman Ries.

Mrs. William La Pere returned to her home in Chicago Monday after visiting her sister Mrs. Leon Becker and son John.

Mrs. W. W. Burger spent several days the past week in Kansas City with her daughter Marjorie.

Lee Caton and Arthur Hayes are rebuilding a barn on the Dora Heim farm. They razed the old barn with a tractor. The building was 120 ft. by 36 ft. Nails were not used in the construction of the barn, only wooden pegs. The lumber used was black walnut and white oak. The building was made by the slaves of the Harri-man family. Regus Harriman said the barn is over a hundred years old.

du Pont officials listed Orlon's major advantages as: Resistance to sun, heat and acids; durability, warmth, ease of laundering; light weight, non-shrinking. Spokesmen for the company left no doubt today of their faith in the new fiber, which in its development is akin to nylon, du Pont's earlier major success in the chemical yard field. Slightly heavier than nylon, it is described as being, in one form, the most silklike of the synthetics and in another the most like wool. Orlon fabrics is said to wash as easily as nylon, and dry almost

IT'S EASY TO ENTER!
HERE'S ALL YOU HAVE TO DO:

1. GO TO YOUR KROGER STORE AND GET AN OFFICIAL CONTEST ENTRY BLANK.
2. SELECT ONE OF THE ADVERTISING SLOGANS PRINTED ON THE ENTRY BLANK AND WRITE THE NAME OF THE BRAND IT REPRESENTS.
3. WRITE A LAST LINE TO THIS KROGER SLOGAN JINGLE:

"Live better for less" is the slogan to know. It tells me that all Kroger prices are low. I find all the brands that I like on display.

(Fill in the last line and make it rhyme with "display." For example, "And that's why I shop at my Kroger each day.")

Send in as many entries as you want. If you can identify all of the 54 slogans shown on the entry blank, send in an entry on each and increase your chances of winning big prizes. Attach to each entry the printed portion of the label that contains the brand name you select. Also attach to each entry the dated end from a Kroger Hot-Dated Coffee bag, or a 2-inch piece of the blue tear-off strip from a Kroger Vacuum-Packed Coffee can.
